

INTERNATIONAL COOPERATION PROJECTS

(Some projects performed recently)

No.	Projects	Implementation year	Cooperation agency
1	PREGA project.	2003	ADB
2	Research on briquetting machines	1988-2003	SIDA
3	Research on strategies for Vietnam power system development	2003	JICA
4	Power demand forecasting methodologies	2004	JICA
5	Renewable energy database development (RED)	2004	AIT
6	Global energy village project (GVEP)	2005	WB
7	Wind energy project (RISO)	2005	ASEAN-EU
8	Research on renewable energy - PREGAll	2005	
9	Survey on database of Vietnam energy	2005	JICA
10	Promotion of compact florescent lamps (CFL) use	2006	JURI-Japan
11	Vietnam Energy Master Plan	2008-2009	JICA
12	GVEP on improved cook stoves	2006	WB
13	Cooperation with Belgium: " Assessment on feasibility and methodology of hybrid power system of wind and solar for islands and rural areas of Vietnam	2007-2009	Belgium
14	Research on power demand forecast	2008	JICA
15	Investment report of POSCO TPP - Khanh Hoa	2008	POSCO
16	Topographical and geological investigation for Hai Duong TPP	2008	Malaysia
17	Cooperation with Cuba on biogas development	2006-2007	Cuba
18	Survey on EE products in Vietnam	2007	JURI-Japan
19	Research on Vietnam electricity tariffs for period 2005 - 2020	2008	JPOWER
20	Renewable energy master plan for Vietnam period up to 2015, with outlook to 2025	2008-2009	WB
21	Cooperation project with RISO - ADB (2008)	2008	ADB
22	Investment project report of rice husk power plant 6MW in Dong Thap	2008	KEPCO-Korea
23	Energy conservation and energy efficiency master plan	2008-2009	JICA
24	Carbon market for the poor	2008	United Kingdom
25	Preparation of PIN & PDD for CDM project of Dak Me 1 hydropower station	2009-2010	HEPCO-Japan
26	Research on policy mechanism for wind power development in Vietnam	2009-2010	GTZ - Germany
27	Energy consulting services for Korea embassy	2009	Korea
28	Research, analysis, situation of production and use of rice husks, wind and renewable energies in Vietnam	2009-2010	Japan
29	Research on policies for renewable energy and cooperation projects on renewable energy	2009-2010	IEEJ-Japan
